

Industry Visit by Electrical Department

1. Thermal power plant at Paras (Maharashtra)

Electrical Engineering Department of Mauli college of Engineering and Technology, Shegaon Visited to Thermal power plant at Paras (Maharashtra) on 08th Sept.2017 & 28th Sept.2017 respectively for second and Third Year students. Total 94 students along with 07 faculties visited the Thermal power plant where student first visited coal handling process, Boilers, steam turbines, generators and cooling towers. With the help of this visit students are able to see the actual process of Electrical Power generation. The visit was organized with the permission of Chairman sir Shri. Dnyaneshwardada Patil and under the guidance of Principal Dr. C. M. Jadhao, we had done a successful visit at power plant, Paras. Our special thanks to head of department Dr. M.A. Beg for his valuable guidance for this Visit. For a successful conduction of visit we extend our gratitude to Prof. M. M. Tayade, Prof. S.S. Bhuskute, Prof. S. A. Deshmukh, & Prof. S. S. Dhoot, Prof. S.R.Sapkal, Prof. S.G. Kalantri, Mr.S.G. Band.

2. Industrial visit At 765/400Kv substation at Yelwan village Akola

Electrical Engineering Department of Mauli college of Engineering and Technology, Shegaon Visited to 765/400Kv substation at Yelwan village Akola on 12th Sept.2017 for Final year students. Total 65 students along with 05 faculties visited the substation. Where student first visited the control room from which all the parameters of the substation equipment are monitor and then students entered in to 765Kv switchyard where substation equipment such as Switchgear equipments, Transformers, Busbars,Inductors,Capacitors etc.seen by the students . With the help of this visit students are able to understand actual process of transmission of Electrical Power. The visit was organized with the permission of Chairman sir Shri. Dnyaneshwardada Patil and under the guidance of Principal Dr. C. M. Jadhao, we had done a successful visit at 765/400Kv substation at Yelwan village Akola. Our special thanks to head of department Dr. M.A. Beg for his valuable guidance for this Visit. For a successful conduction of visit we extend our gratitude to Prof. N.W. Labde , Prof. S.S. Bhuskute , Prof.P.W. Choudhary, & Prof. S. S. Dhoot, Mr. Ajay Dhote.
