**“Report on One Week AutoCAD Workshop”**

**Organizer: Department of Civil Engineering**

**Date and time: 09/08/2022 to 14/08/2022 10:00 AM to 4:00 PM**

**Total Duration: 30 hours.**

**Resource Person: Ar. P L Agrawal**

**Target Students: Second-year Civil engineering Students.**

**Introduction:**

The Department of Civil Engineering successfully organized a one-week AutoCAD workshop from August 9th to August 14th, 2022. The primary objective of this workshop was to enhance the skills of second-year students in AutoCAD, a crucial software tool widely used in the field of civil engineering. There was Approx. 22 Students Participated in this workshop.

**Resource Person:**

The workshop was conducted by the esteemed architect, Ar. P L Agrawal Director of Ashirwad Design Consultant, Khamgaon Ar. Agrawal brought a wealth of practical knowledge to the workshop. His expertise in AutoCAD and passion for teaching provided an invaluable learning opportunity for the participants.

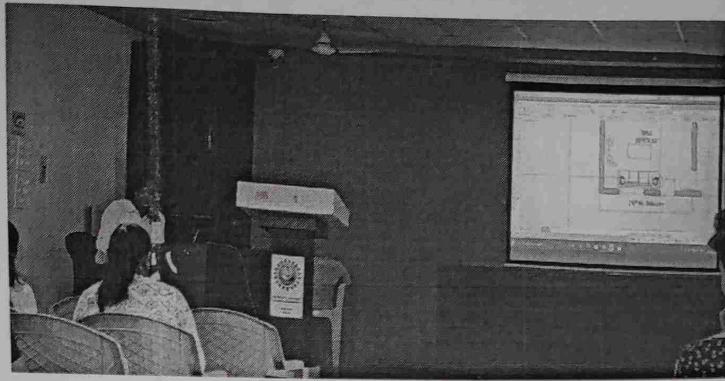

**Topic Covered:**

1. Getting Start with AutoCAD, Starting with Sketching
2. Working with Drawing and drafting
3. Editing Sketched Objects, Layers, Block
4. Creating Text and Tables, 2D Drawing, Shape and Object
5. 3D Modeling and Error Checking
6. Hatching Drawings, Rendering and Visualization

**Conclusion:**

The One Week AutoCAD Workshop organized by the Department of Civil Engineering proved to be a resounding success. Participants gained valuable insights into the practical applications of AutoCAD and honed their skills under the guidance of Ar. P L Agrawal. The workshop not only equipped students with essential software skills but also fostered a deeper appreciation for the role of technology in the field of Civil Engineering.

## NOTICE

We are pleased to announce that department of Mechanical Engineering is going to organize a short term course on: "Introduction to AutoCAD"

**About AutoCAD:** AutoCAD is a commercial computer aided design (CAD) and drafting software application developed and marketed by Autodesk. AutoCAD is used across a wide range of industries, by architects, project managers, engineers, graphics designers, and many other professionals.

**About the course:** This course is designed to take students with no previous CAD experience to learn about AutoCAD in simple step by step manner.

### Features of the course:

- Hands on training.
- Assessment at the end of the course.
- Certificate for successful completion of the course.

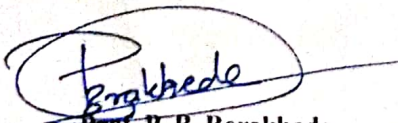

**Course objective and outcome:** This intensive hands-on course will prepare you with the knowledge and skills necessary for creating basic 2D working drawings using AutoCAD. Being your first step in using CAD software, this course will help you build the foundation to learn other advanced CAD and CAE courses. After completing the course you will have an in depth knowledge and skills to work on your own with AutoCAD productively.

**Duration:** 10 days

**No of seats:** 10

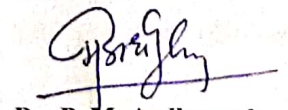

**Course Coordinator:** Prof. P. B. Borakhade

Interested students should register their names to Prof. P. B. Borakhade. Seats will be allotted on **first come first served basis**.

**Title: Certificate program on introduction to AutoCAD**

**Total hours: 30 Hrs**

**Academic Year: 2022-23**

Unit No	Syllabus
1	Understanding the autocad user interface, getting familiar with the workspace, working in the command window, using the navigation and status bar, setting the display format and units, using zoom and pan to control the display, using the line command, coordinate system basis, specifying lengths, drawing lines, poly lines, circle, arcs and polygons (6 Hrs.)
2	Setting up the drawing units and drawing size, setting up drawing limits, drawing with grid and snap, drawing accurately with object snaps, extending and trimming lines, deleting and restoring objects, moving, copying and offsetting objects (6 Hrs.)
3	Rotating, Mirroring, scaling and stretching object, using fillent and scale, producing arrays of objects (ARRAY), Applying hatch patterns to drawing, making and inserting blocks, combining objects in blocks, using layers to organize your drawings, working with layer properties and layer visibility. (6 Hrs.)
4	Adding dimensions and text to your drawings using layouts to print your drawings, setting the layout parrameters, setting the view port scale, adjusting a view port content, printing an autocad drawing. (6 Hrs.)
5	Getting familiar with 3D basics workspace, specifying 3D coordinates, Manually rotating the UCS, Dyanmically changing the UCS, using 3D transformation gizmos, and sub objects selection. (6 Hrs.)
6	Getting familiar with 3D Basics workspace, getting familiar with 3D functionality, making shapes in the 3d basics workshop. (6 Hrs.)

PLC SCADA

A.Y 2022-23

The PLC SKADA workshop is organized for 42 students nominated from the Electrical Engineering Department, and it is being hosted by the Electrical Engineering Department. The workshop is scheduled to take place from 26/09/2022 to 01/10/2022 and conducted by **Mr. Sarang Thakre from Proflics System & Technologies, Nagpur**. During the workshop, Mr. Sarang Thakre acquainted students aspiring to be engineers with both conceptual and practical knowledge of industrial automation, including the latest technologies used in achieving industrial automation.

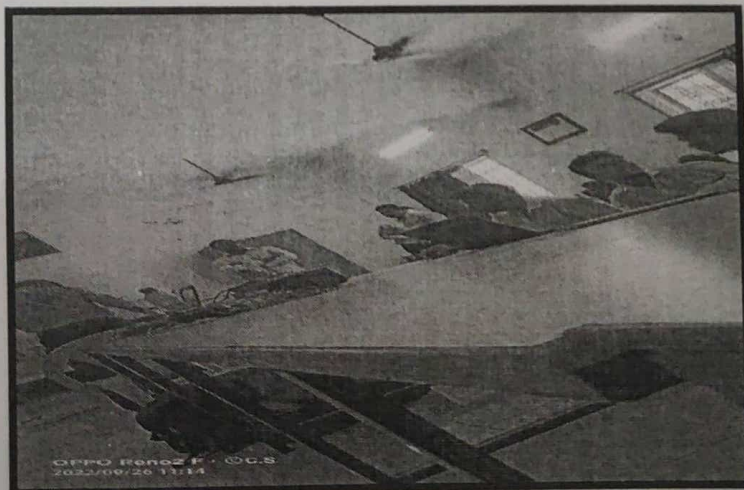

**Topic Covered**

Programmable Logic Controller (PLC)

Allen Bradley (PLC)

Siemens PLC

SCADA (Wonderware Intouch)

**Students Attending Workshop on PLC SKADA**

**Prof.R.R.Khan**

**Workshop Co-ordinator**
