Activity Report on

A One day workshop on “Need of Electronics in Industry”

A one day workshop on “Need of Electronics in Industry ” was held on 23rd March 2023 by ED Cell.

ED Cell has organized workshop on Need of Electronics in Industry” on 23rd march 2023 from 11 am to 5 pm. In this program 105 students and Electronics and Electrical faculty members from MGI-COET were present.and Dr R.R.Karhe were coordinators of this event..

Mr.Sanjay Chaudhari was guest speaker of the session. He has started his talk with the necessity of the Electronics in Industry. He has also explained the basic concept of basic Electronic components and their practical uses in Industry. Further, he gave details demonstration of Electronic components testing with help of Electronic Instruments. At the end, he briefly introduced various small project, that implements in industry and house hold application. The session was very useful to students as they became aware for importance of different Electronic components, and their practical implementation in industry. The session was ended with the interaction among the speaker and present students.
