

Summer Research Internship (SRI) at MGICOET, Shegaon (Guidelines for the Departments)

1. Process will be initiated for calling the applications for summer internship at UG/PG level in the month of March every year according to the declared vacation in academic calendar.
2. Every department/section needs to announce the internship seats with details (faculty name, area, seats available, etc.) at UG level latest by 31st March through institute website, a maximum of three interns per faculty, depending on the availability of the faculty during summer vacation for 30-45 days.
3. The students (from the institute or from outside) needs to apply, through their department head, in the prescribed format. Format of application form is attached.
4. Every selected student from outside needs to submit an internship fees of Rs. 1000/- on the institute account (details are available on website), in addition to hostel fees for the stay & food, if seats are available in the hostel, if admitted in the program at the time of joining. **There is no fees for the internal students.**
5. Training and Placement Department should coordinate with Warden(Boys) and Warden(Girls) for availability of accommodation and mess facility during summer and accordingly need to provide basic amenities to the students.
6. Department needs to declare the list of selected candidates by 20th April compulsorily so that students can plan their journey.
7. At the end of the internship based on evaluation of the individual faculty, department will submit the list of students successfully completing the internship to Training and Placement Department which will issue a certificate stating the details and duration for successfully completion of the internship. Every certificate must be issued with a number (MGICOET/Dept./Summer Intern/20__/____) and should keep a record of the issued certificate.
8. T & P coordinator will help the concerned department in ensuring the procedure and follow up if any.

SUMMER RESEARCH INTERNSHIP (SRI) GUIDELINES

Objective:

To provide opportunity to B.E./B.Tech / MSc. CS or IT students to work on the research project and to enhance their problem solving skills.

How to Apply:

1. Send the application form along with Latest Resume or CV (indicating the Grades and technical skills) to the respective faculty member from the list provided below.
2. Mention the subject in the mail "Request for Summer Research Internship at MGICOET".

Selection Process:

1. The respective faculty may take the telephonic or web-based interview for the selection of students.
2. Selection of students is the sole responsibility of faculty member offering internship after testing and verifying the grades and technical skills.
3. Applying to the internship does not guarantee the selection of students.

Salient features:

1. The duration of the Summer Research Internship at MGICOET, Shegaon is for 4-8 Weeks.
2. Interested students can submit applications through the Email for Summer Internship.
3. Once the candidate is selected will be associated with a Faculty Member of MGICOET.
4. After joining, each candidate needs to submit the original bonafide certificate from the currently affiliated organization (HoD/ Principal on letterhead).
5. Accommodation and hostel facility is available for outside students.
6. Every selected student from outside colleges needs to deposit Registration fees of Rs. 1000/- on the institute account (Account details are available on institute website), in addition to hostel fees for the stay & food, if seats are available in the hostel, if admitted in the program at the time of joining. There is no fees for MGICOET students.
7. Access to the needed computational and library facilities will be provided.
8. Selected students should join the Program on the start date.
9. An internship completion **certificate** will be issued after the submission of Project Report and satisfactory performance.

Requirements:

1. Throughout the period of the internship the candidate has to work on the MGICOET campus to complete the assigned research work. However, he/she can also work in online mode provided the concerned faculty member is ready for the same.
2. Candidates selected must abide by the rules and regulations of MGICOET.
3. Project Report submission is mandatory for the award of completion certificate.

Important Note:

- All copyright will be associated or reserved with MGICOET only.
- No refund of the registration fees after selection of the candidate is possible.
