Introduction & Objectives:

In 2006-07, the Hon'ble Governor of Maharashtra and Chancellor of the Universities in the State of Maharashtra launched the Aavishkar: Maharashtra State Inter-University Research Convention to promote research among students. Ever since, the convention has brought in a large number of researchers to explore a variety of unexplored areas of knowledge. The convention assisted in connecting like-minded researchers, instilling a culture of exploration of new ideas, and providing solutions to several problems.

The program was organized under IETE Student Forum (ISF). Total 76 Students across all six branches actively participated in the event. Participant presented their idea through power point presentation and demonstration of model. Jury panel thoroughly go through each idea and give there valuable feedback in the form suggestion and modification.

IETE Students Forum (ISF) specially expresses their gratitude to honorable **Principal Dr. C.M. Jadhao** and all heads of department for supporting the such technical activity and personally present in the event. ISF is also thankful to all the student participants and committee members who were present at the event. ISF is also thankful to all the Departmental faculty coordinator of ISF members who support this event and make it successful.
