Feedback Parameters:

- 1.The syllabus was challenging.
- 2.The allocation of the credits to the course is appropriate in relation to the level of course work.
- 3.The depth of the course content is adequate in relation to the expected Course Outcomes (COs).
- 4.Almost entire syllabus was covered in the class by the teacher.
- 5.The units/sections in the syllabus are properly sequenced.
- 6.Syllabus equipped me with necessary technical skills to face the industry.
- 7.The syllabus enabled me to improve my ability to formulate, analyze and solve problems.
- 8.Syllabus inculcated necessary ethical values and concern for the society.
- 9.The recommended textbooks are adequately available and map onto the syllabus.
- 10.The pre-requisite courses are appropriate for this course.
- 11.The electives offered are relevant to the specialization streams and to the technological advancements.
- 12.The laboratory experiments enhanced my understanding of the concepts and enabled me to relate theory to practice (Experiential learning).

Feedback Parameters: (Scale:1-Strongly Disagree, 2-Disagree, 3-Uncertain, 4-Agree, 5- Strongly Agree)

1. The syllabus was challenging.
2. The allocation of the credits to the course is appropriate in relation to the level of course work.
3. The depth of the course content is adequate in relation to the expected Course Outcomes (COs).
4. Almost entire syllabus was covered in the class by the teacher.
5. The units/sections in the syllabus are properly sequenced.
6. Syllabus equipped me with necessary technical skills to face the industry.
7. The syllabus enabled me to improve my ability to formulate, analyze and solve problems.
8. Syllabus inculcated necessary ethical values and concern for the society.
9. The recommended textbooks are adequately available and map onto the syllabus.
10. The pre-requisite courses are appropriate for this course.
11. The electives offered are relevant to the specialization streams and to the technological advancements.
12. The laboratory experiments enhanced my understanding of the concepts and enabled me to relate theory to practice (Experiential learning).

Report of Actions Taken on Feedbacks

(Academic Year: 2024-25, Even Sem)

I. Summary of Quantitative Feedback received from the students in structured format

Sr. No.	Stakeholder	Total Count	Remark
1	Students	1136	Overall Satisfactory

II. Report of the actions taken on the above Qualitative Feedback

Sr. No.	Stakeholder	Feedback	Action taken
1	Students	Need knowledge of Research paper and Patent.	Online workshop on "Intellectual Property Rights, Patents, and Design Filing was organized.
2		Expert talk on Competitive Exam.	Expert talks were organized.
3		IKS reference books should be made available in the library.	The books have been made available in the library.
4		Request hands on training session on recent technologies/programming languages/Software.	Conducted Workshop/trainings on <ul style="list-style-type: none"> • Embedded System. • Internet of Things (IoT). • C, C++, JAVA. • AutoCad, Ansys simulation software.
5		Need industrial exposure/technical site visits and updated knowledge.	More visits to local industries and internship programs were planned for the students. Organized technical site visits at Wari Dam, Railway station and construction sites.
6		Request Hands on based teaching for the subject of Building planning and CAD and more practical sessions on surveying.	Conducted Extra lab based teaching including AutoCAD sketching of BPCAD sheets. Conduct practical sessions along with field projects like profile levelling, layout planning etc.
7		Requested more lectures for NT, ACS, SS, ECA, NMOT.	Extra lectures were conducted.
8		Need to prepare for real world development and deployment of software.	Organized 3 Days MERN Stack Development workshop provided a hands on learning experience for students.
9		Asked for guidance in placement preparation (aptitude, soft skills).	Organized aptitude and soft skills trainings.
10		Support for improvement of their English language skills.	Professional English speaking and language development classes have been conducted.
