Report on "Awareness of getting learning license and road safety"

Programme Venue	C.V. Raman Seminar Hal
Programme Schedule	23 rd September 2025
Programme Mode	Offline Mode
Details of Resource Person	Mr. Manoj Shelke (Dy. RTO Khamgaon MH56)
Total Number of Students Participated in the Programme	103 Students
Total Number of Faculty Participated in the Programme	00
Programme Coordinator/s	Prof. R. M. Kshirsagar (MESA Faculty Advisor)

Program Objective:

1. To understand the importance of obtaining learning license.
2. To highlight the process of acquiring a learning license.
3. To spread awareness regarding road safety rules and their importance.
4. To analyze the role of education and awareness campaigns in promoting safe driving.

Program Outcomes:

1. Participants gained clear understanding of the step by step procedure to apply for learning license.
2. Awareness session encouraged participants to avoid over speeding, drunk driving and use of mobile phones while driving.
3. Students showed commitment to wearing helmets and seat belt regularly.
4. Participants became more familiar with traffic signs, signals and basic rules of safe driving.

Overview of the Program:

The program was organized by Mechanical Engineering Department on date 23/09/2025, guest speaker Mr. Manoj Shelke sir has first inaugurated MESA (A.Y. 2025-26) followed by guest lecture on topic "Awareness of getting learning license and road safety". Speaker has thrown highlight on primary aim of educating young students about getting learning license before driving and to instill safe road habits. The program successfully engaged participants in active learning and motivated them to follow lawful procedures while also adopting responsible behavior on roads. The initiative highlighted both the legal aspects of driving and the practical aspects of road safety in day to day life.
